APMONIA

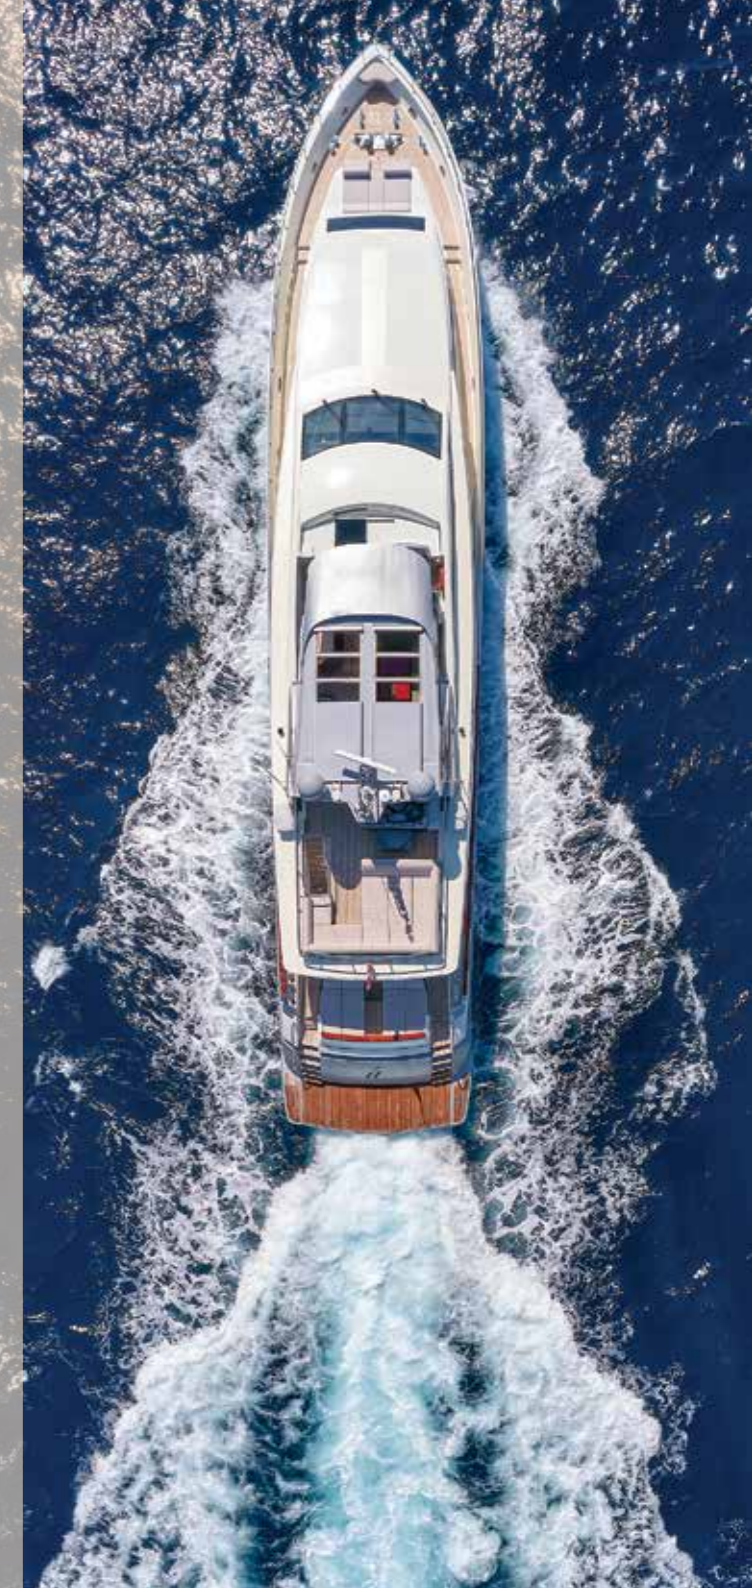

/har.mo.ní.a/ the Greek word for harmony

(mythology) a Greek deity, either the daughter of Zeus and Pleiad Elektra or of Ares and Aphrodite

(music) the way in which different notes that are played or sung together combine to make a pleasant sound

(state) a pleasing combination of related things

**Discover the Mediterranean Sea
sailing aboard APMONIA**

"Reconciling pleasure and ambition, desire and action, has become a genuine challenge or an art. Something rare and precious."

APMONIA has been designed for all those who believe that in life, harmony is priceless.

Relax and unwind in ample space

APMONIA accommodates comfortably eight guests in four en suite cabins.

Six crew members attend to all your needs on board and strive to exceed your expectations.

Relish life with all your senses, play or relax

Just relax and while away your time, being caressed by the rays of the sun and the warm Mediterranean sea, or play hard and have fun.

An Entertainment System in harmony with your mood and senses

The yacht is equipped with an Audio & Visual system throughout to keep guests entertained at all times.

Enjoy music through the powerful SONOS system in the saloon, the cabins, the decks and the swimming platform, or even at the beach using the portable speakers. Play your favourite music through your phone with the SONOS App or by using the tablets you can find in the saloon and every cabin.

Watch a film or your favourite show on Netflix or the satellite channels. The saloon features a 50" Smart TV that you can hide or reveal and every cabin is equipped with a Smart TV as well.

Alfresco dining and drinks with a view

Pick the view you want to delight in. APMONIA will transport you to secluded coves and peaceful beaches where you can savour fine dining and drinks alfresco.

Make your choice between the main aft deck or the sun deck for more privacy when in port. There is ample space for 12 guests at the sun deck dining table.

The crew will be happy to arrange the perfect gathering for you and your guests, either in the shade or under the stars thanks to the retractable roof.

Feel the thrill or explore and discover

A wide variety of sea toys for everyone to enjoy.

You can explore the seas and discover the underwater world with Seabobs or Seascooters. Feel the thrill riding the Waverunner. Go surfing on the electric Jetboard or eFoil. Cruise around calmly with SUPs and discover serene beaches and coves.

Three crew members of APMONIA are qualified RYA Personal Watercraft Instructors and can train guests to safely operate the Waverunner.

Ride the waves! Choose between a single water ski, double water skis or a wakeboard and our crew will be happy to tow you around.

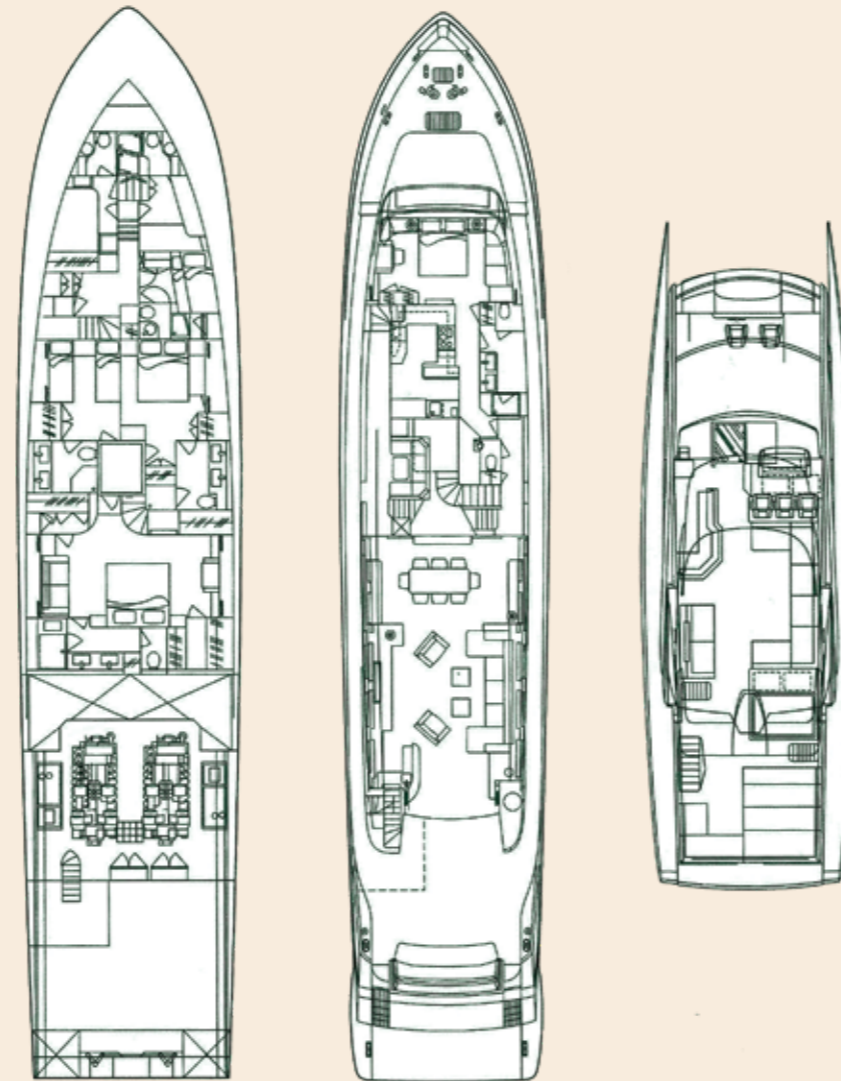

Keep up with your fitness goals on the Technogym treadmill. Mount your phone or tablet on the treadmill for entertainment, or just enjoy the view from the upper deck.

Waverunner, Seabobs, Seascooters, Jetboard, eFoil, Wakeboard, Water Skis, SUPs, Banana, Sofa, Donuts, Snorkelling Gear, Fishing Gear and more...

Stabilizers

Roll-free yachting

The SEAKEEPER gyroscopic stabilizers deliver complete motion control at rest or underway, for the utmost in serene yachting.

Night Generator

Restful Sleep

At night time APMONIA operates a whisper-silent power generator to provide a tranquil sleeping environment for her guests.

Kevlar® V-Hull

Strong, light and fast

Entirely built in Kevlar fiber, the hull is four times more resistant to shocks than an aluminium hull and thus is more rigid, more solid, lighter in weight, faster and with increased autonomy.

Engines

Velvet Power and reliability

Silky smooth sailing is delivered by the twin MTU V12 engines at all speeds. Whenever needed the top speed of 29 knots allows rapid passages. Comfortable cruising at 22 knots delivers the optimum balance of speed and range. Maximum autonomy is achieved at the economical cruising speed of 14 knots.

Wheelhouse

Safe navigation day and night

The glass touch bridge features top of the range Raymarine navigation equipment and an integrated monitoring and control system for all on board functions.
